NORFOLK SCHOOL

Foreword

In this, the first volume of the "Chieftain" the annual staff has endeavored to write in picture a history that will serve as a part of the ideal of Norfolk School for the students yet to come. May it also serve as a record of events for memories to students of the past and present. It is our sincere wish that this book shall be, as intended, a tribute to our school.

DEDICATION

To our Norfolk alumni who so willingly answered the call of our Country and so Gallantly defended the cause of Humanity, in World War Number Two, the Staff of the 1946 Chieftain Sincerely dedicates this book.
